

React Native - Android font families

<https://stackoverflow.com/questions/12128331/how-to-change-fontfamily-of-textview-in-android/13329907#13329907>

```
android:fontFamily="sans-serif"          // roboto regular
android:fontFamily="sans-serif-light"     // roboto light
android:fontFamily="sans-serif-condensed" // roboto condensed
android:fontFamily="sans-serif-black"    // roboto black
android:fontFamily="sans-serif-thin"      // roboto thin (android 4.2)
android:fontFamily="sans-serif-medium"    // roboto medium (android 5.0)
```
